

PARSHVA PANCHAL

7710073189 ◇ Mumbai, Maharashtra

[gmail](#) ◇ [linkedin](#) ◇ [portfolio](#) ◇ [github](#)

OBJECTIVE

Full-stack developer with internship experience at **ApexPlanet** and **Labmentix**. Strong with **HTML**, **CSS**, **JavaScript**, and the **MERN** stack. Interested in building **AI/ML-enabled web apps** that improve user experience.

EDUCATION

Dwarkadas J. Sanghvi College of Engineering, Mumbai

B.Tech in Artificial Intelligence & Data Science

Expected 2027

SGPA: 8.4 (Till Sem V)

ST. Pius X High School, Mumbai

Jai Bharat College, Mumbai

SKILLS

Languages	C++, Java
Web	HTML, CSS, JavaScript, Responsive Design
Frameworks	React, Vite, Node.js, Express
APIs	RESTful Services
Databases	MySQL, MongoDB, Supabase
Data	NumPy, Pandas, Matplotlib, Seaborn, PowerBI
ML	Model Training, Chatbot Development
Design	Canva

EXPERIENCE

Web Developer (Intern), ApexPlanet Software Pvt Ltd

Aug 2025 – Oct 2025

Mumbai

- Built responsive product pages using **HTML**, **CSS**, **JavaScript**, and **Bootstrap**.
- Improved frontend usability across devices and learned **debugging** and **UI design** best practices.

Web Developer (Intern), Labmentix

Oct 2025 – Present

Mumbai

- Developing automation features and dynamic UI using **React**, **APIs**, and **Git**.
- Gaining experience in **scalable UI patterns**, **API integration**, and real project workflows.

PROJECTS

Malicious URL Detection System: Ensemble using **RF**, **LR**, **XGBoost** with **SHAP** explainability; includes cybersecurity **news scanner** and **quiz game**. (still working)

Online Learning Platform: Instructors upload courses, modules, quizzes, and videos. Students buy courses via **Razorpay**, unlock content, track progress, and take quizzes. Uses **Supabase** auth, cloud video storage, and **Node.js** payment verification. ([Try it](#))

Speech to Text AI: Converts audio to text using speech APIs. **Supabase** for auth/storage, **React + Tailwind** UI for uploads and history. ([Try it](#))

AQI Checker: Simple real-time AQI web app with clean UI. ([Try it](#))
